§ 641.520

and sub-recipients may also verify an individual's eligibility as circumstances require, including instances when enrollment is delayed.

§ 641.507 How is applicant income computed?

An applicant's income is computed by calculating the includable income received by the applicant during the 12-month period ending on the date an individual submits an application to participate in the SCSEP, or the annualized income for the 6-month period ending on the application date. The Department requires grantees to use whichever method is more favorable to the individual. (OAA § 518(a)(4)).

§ 641.510 What types of income are included and excluded for participant eligibility determinations?

(a) With certain exceptions, the Department will use the definition of income from the U.S. Census Bureau's Current Population Survey (CPS) as the standard for determining SCSEP applicant income eligibility.

(b) Any income that is unemployment compensation, a benefit received under title XVI of the Social Security Act (42 U.S.C. 1381 *et seq.*), a payment made to or on behalf of veterans or former members of the Armed Forces under the laws administered by the Secretary of Veterans Affairs, or 25 percent of a benefit received under title II of the Social Security Act (42 U.S.C. 401 *et seq.*), must be excluded from SCSEP income eligibility determinations. (OAA § 518(a)(3)(A)).

(c) The Department has issued administrative guidance on income inclusions and exclusions and procedures for determining SCSEP income eligibility. This guidance may be updated periodically.

§ 641.512 May grantees and sub-recipients enroll otherwise eligible job ready individuals and place them directly into unsubsidized employment?

No, grantees and sub-recipients may not enroll as SCSEP participants job-ready individuals who can be directly placed into unsubsidized employment. Such individuals should be referred to an employment provider, such as the One-Stop Center for job placement as-

sistance under WIOA or another employment program.

§ 641.515 How must grantees and sub-recipients recruit and select eligible individuals for participation in the SCSEP?

(a) Grantees and sub-recipients must develop methods of recruitment and selection that assure that the maximum number of eligible individuals have an opportunity to participate in the program. To the extent feasible, grantees and sub-recipients should seek to enroll minority and Indian eligible individuals, eligible individuals with limited English proficiency, and eligible individuals with greatest economic need, at least in proportion to their numbers in the area, taking into consideration their rates of poverty and unemployment. (OAA § 502(b)(1)(M)).

(b) Grantees and sub-recipients must use the One-Stop delivery system as one method in the recruitment and selection of eligible individuals to ensure that the maximum number of eligible individuals have an opportunity to participate in the project. (OAA § 502(b)(1)(H)).

(c) States may enter into agreements among themselves to permit cross-border enrollment of eligible participants. Such agreements should cover both State and national grantee positions and must be submitted to the Department for approval in the grant application or a modification of the grant.

§ 641.520 Are there any priorities that grantees and sub-recipients must use in selecting eligible individuals for participation in the SCSEP?

(a) Yes, in selecting eligible individuals for participation in the SCSEP, priority must be given to individuals who have one or more of the following characteristics:

- (1) Are 65 years of age or older;
- (2) Have a disability;
- (3) Have limited English proficiency or low literacy skills;
- (4) Reside in a rural area;
- (5) Are veterans (or, in some cases, spouses of veterans) for purposes of § 2(a) of the Jobs for Veterans Act, 38 U.S.C. 4215(a) as set forth in paragraph (b) of this section;

(6) Have low employment prospects;
(7) Have failed to find employment after using services provided through the One-Stop delivery system; or

(8) Are homeless or are at risk for homelessness. (OAA § 518(b)).

(b) Section 2(a) of the Jobs for Veterans Act creates a priority for service for veterans (and, in some cases, spouses of veterans) who otherwise meet the program eligibility criteria for the SCSEP. 38 U.S.C. 4215(a). Priority is extended to veterans. Priority is also extended to the spouse of a veteran who died of a service-connected disability; the spouse of a member of the Armed Forces on active duty who has been listed for a total of more than 90 days as missing in action, captured in the line of duty by a hostile force, or forcibly detained by a foreign government or power; the spouse of any veteran who has a total disability resulting from a service-connected disability; and the spouse of any veteran who died while a disability so evaluated was in existence.

(c) Grantees and sub-recipients must apply these priorities in the following order:

(1) Persons who qualify as a veteran or qualified spouse under § 2(a) of the Jobs for Veterans Act, 38 U.S.C. 4215(a), and who possess at least one of the other priority characteristics;

(2) Persons who qualify as a veteran or qualified spouse under § 2(a) of the Jobs for Veterans Act, 38 U.S.C. 4215(a), who do not possess any other of the priority characteristics;

(3) Persons who do not qualify as a veteran or qualified spouse under § 2(a) of the Jobs for Veterans Act (non-veterans), and who possess at least one of the other priority characteristics.

§ 641.535 What services must grantees and sub-recipients provide to participants?

(a) When individuals are selected for participation in the SCSEP, the grantee or sub-recipient is responsible for:

(1) Providing orientation to the SCSEP, including information on project goals and objectives, community service assignments, training opportunities, available supportive services, the availability of a free physical examination, participant rights and re-

sponsibilities, and permitted and prohibited political activities;

(2)(i) Assessing participants' work history, skills and interests, talents, physical capabilities, aptitudes, needs for supportive services, occupational preferences, training needs, potential for performing community service assignments, and potential for transition to unsubsidized employment;

(ii) Performing an initial assessment upon program entry, unless an assessment has already been performed under title I of WIOA as provided in § 641.230. Subsequent assessments may be made as necessary, but must be made no less frequently than two times during a 12-month period (including the initial assessment);

(3)(i) Using the information gathered during the initial assessment to develop an IEP that includes an appropriate employment goal for each participant, except that if an assessment has already been performed and an IEP developed under title I of WIOA, the WIOA assessment and IEP will satisfy the requirement for a SCSEP assessment and IEP as provided in § 641.230;

(ii) Updating the IEP as necessary to reflect information gathered during the subsequent participant assessments (OAA § 502(b)(1)(N));

(iii) The initial IEP should include an appropriate employment goal for each participant. Thereafter, if the grantee determines that the participant is not likely to obtain unsubsidized employment, the IEP must reflect other approaches to help the participant achieve self-sufficiency, including the transition to other services or programs.

(4) Placing participants in appropriate community service assignments in the community in which they reside, or in a nearby community (OAA § 502(b)(1)(B));

(5) Providing or arranging for training identified in participants' IEPs and consistent with the SCSEP's goal of unsubsidized employment (OAA § 502(a)(1), 502(b)(1)(B), 502(b)(1)(I), 502(b)(1)(N)(ii));

(6) Assisting participants in obtaining needed supportive services identified in their IEPs (OAA § 502(b)(1)(N));

(7) Providing appropriate services for participants, or referring participants
